Notes:

- **Players:** all players in the competition must be registered with TTACT or an affiliated association.
- **Team captains:** will be the first listed player in each team shown in the draw, unless another is elected by the team.
- **Best player award:** to be eligible for the best player award players must have played at least 70% of possible matches in the round robin. Forfeited matches count in the team score, but not towards individual percentages.
- **Balls:** 40mm white balls are to be used, supplied by the home team.
- **Clothing:** the main colour of shirt or shorts must not be white.
- **Match format:** all matches will be the best of 5 advantage games, 11 points. There will be 9 singles and 2 doubles matches per team match.
- **Rules:** all players should be familiar with the rules as described in the TTACT Competition Committee Guide. Please take particular note of the service rule and the use of ITTF approved racket rubbers. Remember that we are all in this together, players should not make things difficult for umpires and vice versa. If in doubt consult the Division Manager.
- **Division Managers:** open up the TTC at the beginning of the evening and close-up [or delegate close-up] at the end of the evenings play. The Division Managers act as the referee for their division. (The important distinction is that umpires are the final arbiters of the facts of the matter, but the referee may overrule about interpretation of these facts).
- **Scorekeepers:** Scorekeepers check results and maintain the weekly individual and team tables. By Saturday night each week, individual results must be emailed to David Randles for updating of player ratings, and updated individual and team tables must be emailed to Duynam Tran Vo to post on the web site. A hard copy of the updated individual and team tables must be placed on the notice board at the centre each week.
- **Reserves:** players must organise reserves when they can't attend. If players do not organise a reserve or inform their captain on two or more occasions, then, at the discretion of the Competitions Director, they may not be permitted to continue in the competition. In Divisions 1 to 3, the reserve's rating must not be more than 20 points higher than the person being reserved for, based on the player's official rating at the beginning of the competition (to be adjusted mid-season). In Division 4, the rating must be no more than 50 points higher than the person being reserved for, unless cleared by the Division 4 manager. Matches may be forfeited if this is not followed. In all divisions if you want to use a reserve the reserve must be someone who is a fully paid up member of TTACT. Preference should be given to reserves listed on the official reserves list. Players registered for one team in a division may not reserve for other teams in that division. Once a player has played a match they cannot be reserved for in later matches that evening.
- **Timing:** all team matches must begin by 7.10 pm unless there is agreement between captains otherwise. Matches must start within 5 minutes of the previous one being completed.
- **Team scores:** teams get 3 points for a win, 2 points for a draw, 1 point for a loss, 0 points for a forfeit, 2 points are awarded to a team that has a bye.
- **Finals:** there will be semi finals and a final in each division.
- **Points:** results from matches will be used to generate a player points rating which will be updated weekly. An explanation of the TTACT Player Rating System can be found on the TTACT website (see above).
